A.R.S. §11-1606 Application Process Notice

Under A.R.S. §11-1606 Pima County is required to give you the following information when you apply for a right-of-way permit:

The following steps are required to obtain a right-of-way permit:

Step One: Obtain a right-of-way permit application the Pima County Department of Transportation, Fourth Floor, Public Works Building, 201 N. Stone Avenue, Tucson, Arizona 85701 or online at www.dot.pima.gov/transeng/utilitycr/ROW_application.pdf

Step Two: Submit permit application to the Pima County Department of Transportation, Fourth Floor, Public Works Building, 201 N. Stone Avenue, Tucson, Arizona or fax to 740-6862.

Applicable licensing time frames: Permit approval or review comments within fourteen calendar days of receipt of application.

Name and telephone number of a person who can answer questions or provide assistance during the application process: Ted Roberts, Larelle Muratti, or Robert Johnson at 740-6410.

The following website address and e-mail address will allow you to electronically communicate with the County: Ted.Roberts@dot.pima.gov or Larelle.Muratti@dot.pima.gov

Under A.R.S. §11-1609, you may request that the County clarify its interpretation or application of a statute, ordinance, regulation, delegation agreement or authorized substantive policy statement that affects the issuance of your right-of-way permit by providing the County with a written request that states: (1) Your name and address; (2) The statute, ordinance, regulation, delegation agreement or authorized substantive policy statement or part of the statute, ordinance, regulation, delegation agreement or authorized substantive policy statement that requires clarification; (3) Any facts relevant to the requested ruling (4) Your proposed interpretation of the applicable statute, ordinance, regulation, delegation agreement or authorized substantive policy statement or part of the statute, ordinance, regulation, delegation agreement or authorized substantive policy statement that requires clarification; (5) Whether, to the best of your knowledge, the issues or related issues are being considered by the County in connection with an existing license or license application.

You may request clarification of the department's interpretation or application of a statute, ordinance, regulation, delegation agreement or authorized substantive policy statement affecting the procurement of a right-of-way permit by providing the county with a written request. If you disagree with a staff interpretation, you may appeal to the County Engineer.
