Chuck Huckleberry
Pima County Administrator
130 W. Congress St. 10th Flr.
Tucson, AZ 85701

Dear Mr. Huckleberry,

Activate Tucson is pleased to offer this letter of support for the Urban Loop Transportation Greenway Project.

The completion and connection of the river-front bike paths creating a continuous 55-mile loop around the city would encourage more active commuting, provide alternative transportation options as well as create recreation and exercise options to our community. This urban loop will reach many of our underserved communities increasing opportunities for physical activity and improved access to resources for healthy food.

As a community collaborative focused on improving the health and wellness of our community we realize people need their environments to be structured in ways that help them access healthy foods and easily incorporate physical activity into their daily routines. The Urban Loop Transportation Greenway Project will help to accomplish this in Pima County.

Sincerely,

A handwritten signature in black ink that reads "Annemarie Medina". The signature is written in a cursive, flowing style.
